

Wildlife Walks at Castle Hill Lake!

Join us for a delightful journey through nature as we explore the vibrant spring landscape and its diverse wildlife. These guided walks are perfect for nature enthusiasts of all ages and experience levels.

What to expect

Guided Tour: Knowledgeable local ecologists will lead you through scenic trails, sharing fascinating insights about the local ecosystem.

Bat Walk: Search for bat species such as common pipistrelles, soprano pipistrelles and noctules.

Wildlife Walk: Keep an eye out for a variety of birds, insects, and small mammals that are active during the spring season.

Learn about the different species of plants and animals, their habitats, and the role they play in the ecosystem. Meet fellow nature lovers and make new friends.

These **FREE** events are open to **everyone**, no experience needed. Just wear comfortable walking shoes and bring a camera if you like taking photos.

Enjoy the fresh air and beautiful scenery while learning about the natural world!
